ACP TODAY

Issue #4

Latest news and bulletin updates

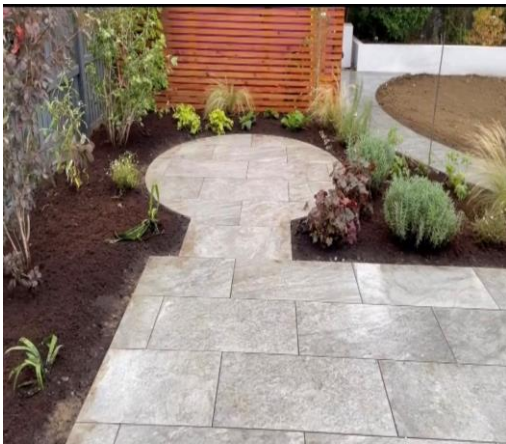

What's been going on in December

December is traditionally a quiet month at ACP.

We have been busy, however, with meeting our commitments before closing for the Christmas break.

Matt, our Production Manager, celebrated his birthday. Bacon rolls were the order of the day!

Looking ahead to the New Year, we are planning our landscaping products. In particular, our outdoor porcelain range. We currently supply a superior range of fully rectified Italian porcelain.

Brave Grey 450 x 900

Cut and installed by Woodgate Landscapes

The Team will be taking a well earned break over the festive period.

They will be back on Tuesday, 3rd January, ready and raring to go!

We'll be happy to hear from you; to offer advice if needed and to discuss your individual requirements.

Whether you're looking for landscaping, building or bespoke.

Give us a call or pop into our office and showroom.

Here's to making 2023 a great year!

A Big Thank You

It's the end of another year, and we'd like to send a big Thank You to all our customers, old and new; and our suppliers.

Along with everyone else, we've had to overcome the challenges of rising fuel costs and the increasing costs of our materials.

The weather has challenged us too, with record temperatures of 40 degrees in the summer and just last week, minus 6 degrees. These extremes are not good for casting concrete!

As usual, the Team has risen to the challenges, never giving up, and producing top quality work.

So, here's to next year, and we look forward to continue working with you.

Wishing you all a Merry Christmas and a Happy New Year!!
