ACP TODAY

Issue #6

Latest news and bulletin updates

What's been going on in February

Our spring clean has started early this year!

Making the most of the mild weather, the team has been undertaking maintenance and cleaning in the yard. There are also plans underway to improve the mixing area, to streamline working processes and to improve our working environment.

The van has had a facelift with new decals being fitted by Solar Signs. Keep your eyes peeled for us on the road!

Bespoke Steps and Risers Mould

Open Day

Saturday, 18th March, 0900 - 1300

Come and see our new range of porcelain!

Come along to our showroom to see the new range and let us know what you think.

Available from our supplier in the UK, it's an affordable range of contemporary tiles.

While you're here, have a look around at our other products; talk to our friendly and knowledgeable team; and enjoy some refreshments.

We'd love to see you!!

Call or email if you'd like to join us:

Rising to the Occasion in Chantry Place

We're really pleased to be working with Mode Construction on a project to provide bespoke concrete stairs in Chantry Place Shopping Centre, Norwich.

We will be making a set of 13 steps and risers in natural concrete. We're currently working with designers at MJY Patterns in Dereham, who will design the bespoke mould for us.

Once casting is underway, it is anticipated that it will take a further 4 weeks completing manufacture.

Look out for our steps when you go shopping!
