ACP TODAY

Issue #15

Latest news and bulletin updates

What's been going on in November

The beginning of November saw us starting on a new project with MKM and Lovell Homes, with Phase 1 of the Lovell Homes site in Holt.

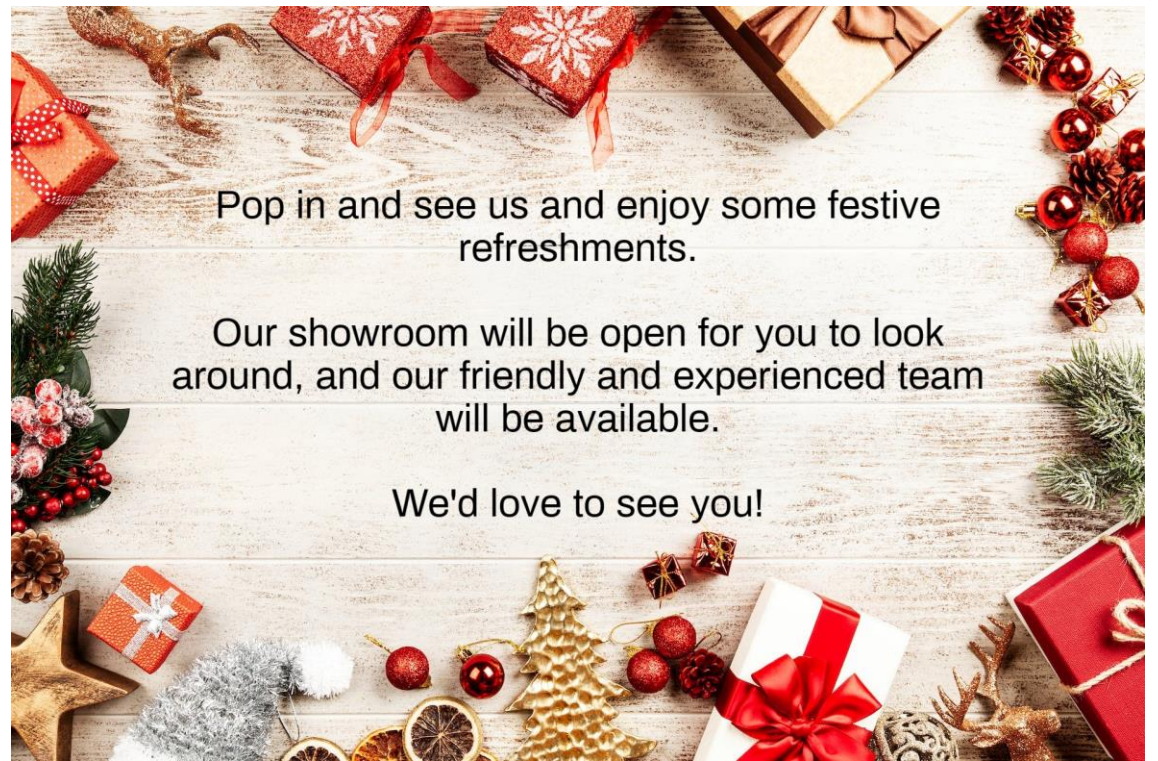

Over the next 12 weeks we will be producing 109 pre cast concrete cills to be installed in their new build homes.

We're delighted to be continuing our working partnership with them.

Another exciting project we are working on at the moment, is in connection with Houghton Hall. Next year they will be hosting an art installation for which they need concrete plinths to display sculptures. We are currently working with the Estate Manager and Architect to 'fine tune' the details.

Lastly, our office Administrator, Emma, celebrated her birthday this month. We do love a birthday here at ACP!!

Open Day, 7th December, 10am – 2pm

Meet the Team

We always mention the team here at ACP, so we thought it would be nice for you to meet them.
