### Colours

Whilst every effort is made to maintain consistency of colours, owing  
to variations in the basic raw materials this cannot always be guar-  
anteed.

### Efflorescence

Some discolouration may occur on the surface of slabs, but this is  
not detrimental and will subsequently disappear with weathering.  
We cannot accept liability for any surface damage caused to our  
products by customers own application of salt or similar substances  
during wintry conditions.
